2 7.7.1 It is the intent of the parties to implement the provisions of SB 1960 (chapter 893, statutes 2000)
3 regarding membership dues and fair share service fees.

4 7.7.2 The Department shall deduct, free of cost, authorized amount from the salary of unit members and
5 make appropriate remittance for Association dues/fair share service fees. The right of payroll
6 deduction check-off privileges for payment of Association dues/fair share service fees shall be
7 accorded by the Department exclusively to the Association and shall not be accorded to any other
8 organization whose members are part of the bargaining unit represented by this Agreement. The
9 Association shall receive all sums deducted by the Department related to unit member dues/fair share
10 service fees on a monthly basis.

11 7.7.3 The unit members' dues/fair share service fees shall be remitted to the Association on the first payday
12 of the month. The Department will provide the Association with a list of certificated employees from
13 whom such deductions are made with each monthly remittance to the Association.

14 7.8 Organizational Security

15 7.8.1 Any unit member who applies for membership shall sign and deliver to the Association an assignment
16 authorizing deduction of unified membership dues. Pursuant to such authorization the Department
17 shall deduct appropriately prorated deductions, as established and submitted by the Association, from
18 the regular salary checks of the unit members. Deductions for unit members who signed such
19 authorizations after the commencement of the school year shall be appropriately prorated to complete
20 payment by the end of the school year.

21 7.8.2 Any unit member who is not a member of the Association or who does not make application for
22 membership shall automatically become a fair share service fee payer and pay to the Association a
23 fee in an amount equal to one hundred percent (100%) of the unified membership dues, prorated in
24 cases of part-time employment, in one lump-sum cash payment or by payroll deduction. In the event
25

1 that a unit member does not pay such fair share service fee directly to the Association, the Department
2 shall immediately begin automatic payroll deduction as provided for in Education Code 45061.

3 7.8.2.1 The Association shall indemnify and hold the Department and its employees or agents harmless
4 from any and all claims, demands, suits or any action arising from the Organizational Security
5 provision contained herein.

6 7.8.2.2 The Association agrees to abide by all applicable laws, rules and regulations related to agency fair
7 share service fee payers including, but not limited to the Hudson decision/case.

8 7.8.3 Religious Exemption

9 7.8.3.1 Any employee who is a member of a religious body whose traditional tenets or teachings include
10 objections to joining or financially supporting employee organizations shall not be required to join
11 or financially support the Association; however, the employee shall pay, in lieu of a fair share
12 service fee, sums equal to the amount of unified membership dues to one of the following
13 nonprofit, nonreligious, non-labor charitable funds that are exempt from taxation under Section
14 501c(3) of Title 26 of the Internal Revenue Code:

- 15 • Council for Exceptional Children, Orange County Chapter 188
- 16 • Outdoor Science School Foundation
- 17 • Orange County Community Foundation/Alternative Education Fund

18 7.8.3.2 For the purpose of this section, a unit member must use payroll deduction procedures outlined in
19 Section 7.8.1. The selection of one of the funds listed may be made annually in October following
20 initial selection.

21 7.8.3.3 To receive a religious exemption, the unit member must submit a written statement establishing
22 the basis for the religious exemption to the Association. The Association Executive Board shall
23 communicate in writing to the unit member its acceptance or rejection of the exemption. If
24 accepted, the unit member shall make payment to an appropriate charity as described above.

1 7.8.4 Administration

2 7.8.4.1 With respect to all sums deducted by the Department pursuant to Section 7.8.1 and 7.8.2 above,
3 whether for membership dues or fair share service fee, the Department agrees promptly to remit
4 such monies to the Association, accompanied by an alphabetical list of unit members for whom
5 such deductions have been made. The lists shall include the following: contract days, PAR/site
6 assignment and home address/telephone number (unless prohibited to do so by written
7 authorization of unit member).

8 7.8.4.2 Any employee making payments as set forth in Section 7.7 who requests that the grievance or
9 arbitration provisions of this Agreement be used on his or her behalf, shall be responsible for
10 paying the costs of using said grievance or arbitration procedures.

11 7.8.4.3 The Association agrees to furnish any information needed by the Department to fulfill the
12 provisions of this Article. Changes in the amount of dues to be deducted shall be certified by the
13 Association twenty (20) days before the payroll deadline.

14 7.8.4.4 In no instance will any employee be dismissed because of failure to pay Association dues/fair
15 share service fees.

16 7.8.4.5 In any instance in which the provisions of this Article are contested, the Association agrees to pay
17 to the Department all reasonable legal fees and costs incurred in defending against the court or
18 administrative action.

19 7.8.4.5.1 It is understood that the expenses referred to above will not include Department staff time
20 normally expended.

21 7.8.4.5.2 As long as the Association is not in default of its obligations to pay legal fees and costs,
22 the Association will have the exclusive right to decide and determine whether any such
23 actions or proceedings referred to in Section 7.7 shall or shall not be compromised,
24 resisted, defended, tried or appealed.

1 7.8.4.6 The Department shall not make fair share service fee or dues deductions from unit members who
2 are in an unpaid status.

1 ARTICLE 8 - LEAVES

2 8.1 Sick and Extended Illness Leave

3 8.1.1 A unit member rendering service in each of the twelve (12) months of the school year covered by this
4 Agreement, working five (5) days per week for a minimum of 215 days, shall be annually entitled to
5 twelve (12) days of Sick Leave. A unit member covered by this Agreement, working less than 215
6 days for rendering service in less than twelve (12) months of the school year, shall be entitled to Sick
7 Leave in the same ratio that his/her employment bears to full-time employment.

8 8.1.2 Unit members may accumulate unused Sick Leave without limitation.

9 8.1.3 Following absences due to illness or injury in excess of three (3) consecutive days, a unit member
10 may be required to provide a doctor's statement.

11 8.1.4 Unit members returning to work from Sick Leave involving major surgery or disabling illness shall be
12 required to present a doctor's release verifying medical permission to return to normal duties.

13 8.1.5 If a unit member is terminated and has used more Sick Leave than was earned, the amount used, but
14 not earned, shall be deducted from his/her final warrant.

15 8.1.6 When a unit member is on an illness or injury leave, he/she shall be paid full salary for the period of
16 time equal to the balance of his/her accumulated illness leave. When a unit member has used all of
17 his/her accumulated Sick Leave, said unit member shall then be entitled to a period not to exceed five
18 (5) school months of differential pay. For purposes of this Agreement, five (5) school months will be
19 100 days. Compensation for these differential days shall be fifty (50) percent of the unit member's
20 daily rate or the difference between the unit member's daily rate and the established substitute
21 teacher's daily rate, whichever is greater. If a substitute is not utilized, the lowest established
22 substitute teacher daily rate shall be used.

23 8.1.7 If a unit member has been given written warning regarding questionable use of his/her Sick Leave and
24 if that unit member has been given identified time to respond to the warning, that unit member may be
25 asked to provide a doctor's verification for future use of Sick Leave.

1 8.1.8 The use of any Sick Leave beyond the annual accumulation will require a physician's written
2 statement that the unit member is unable to perform his/her job duties.

3 8.1.9 Catastrophic Leave is available to unit members under provisions contained in the Department
4 Procedures Manual.

5 8.2 Personal Necessity Leave

6 8.2.1 A maximum of seven (7) days of accumulated Sick Leave may be used in any school year for personal
7 necessity. Personal Necessity Leave shall be limited to circumstances that are serious in nature and
8 that the unit member cannot reasonably be expected to disregard, and that necessitate immediate
9 attention, and cannot be taken care of after work hours or on weekends.

10 8.2.2 A unit member shall submit a completed Personal Necessity Leave request form to the school
11 principal or immediate supervisor normally within three (3) working days prior to the leave. The
12 supervisor will verify the request and will make the appropriate recommendation based on the criteria
13 in Section 8.2.1 on the leave form before forwarding it to the Central Office. One copy of the request
14 form with the supervisor's recommendation and comments will be returned to the unit member.

15 8.2.3 Advanced approval shall not be required for leave taken for any of the following reasons:

- 16 a) death or serious illness of a member of his/her immediate family in excess of what is provided in
17 Sections 8.6 and 8.7;
18 b) accident, involving his/her person or property; or
19 c) discretion of immediate supervisor.

20 8.2.4 Personal Necessity Leave shall not be allowed for the following reasons:

- 21 a) political activities or demonstrations;
22 b) vacation, recreation or social activities;
23 c) unit member Association activities;
24 d) routine personal activities; or
25

e) activities involved in investigating other employment (with the exclusion of the interview if a time after working hours cannot be arranged).

8.3 Personal Business Leave

8.3.1 Leave for seven (7) days each year shall be granted for the conduct of personal business when prior arrangements have been made with the immediate supervisor. This leave is not to be cumulative and shall be deducted from Personal Necessity Leave. Such leave is taken at the discretion of the unit member.

8.3.2 Leave usage shall be monitored by the parties. Average Sick Leave/Sick Differential Leave usage per unit member from July 1, 2007 through June 30, 2008 will be established as a base. Usage data shall be reviewed by both parties as often as possible, but no less than quarterly. If the average usage per unit member increases by more than 1.5 days in a calendar year beginning with the 2009 calendar year, the number of days in Section 8.3.1 will revert to two (2) days, effective July 1 of the following year and Section 8.3.2 shall be null and void. If this section becomes null and void, unit members will be notified in writing at least one month prior to any reduction in the number of available days.

8.4 Industrial Accident and Illness Leave (Workers' Compensation)

8.4.1 Industrial Accident and Illness Leave shall be granted for illness or injury incurred within the course and scope of a unit member's assigned duties.

8.4.2 A unit member who has sustained a job-related injury shall report the injury within one (1) working day of occurrence, whenever possible. The injury will be reported on the appropriate Department form to the immediate supervisor. In order to qualify for Industrial Accident or Illness Leave coverage, a unit member claiming such leave may be examined by a physician from the Department's approved medical panel.

8.4.3 Allowable leave shall be for not more than sixty (60) days during which the unit member would otherwise have been performing work for the Department in any one fiscal year for the same illness or accident. When the leave overlaps into the next fiscal year, the unit member shall be entitled to only

the amount of unused leave for the same illness or injury. The leave shall commence on the first day of absence and shall not be accumulated from year to year.

8.4.4 Industrial Accident or Illness Leave shall be reduced by one day for each day of authorized absence, regardless of a temporary disability indemnity award.

8.4.5 Any unit member receiving benefits as a result of this section shall, during the periods of injury or illness, remain within the state of California unless the Superintendent has authorized travel outside the state.

8.4.6 The Department shall issue the unit member appropriate salary warrants for payment of the unit member's salary and shall deduct normal retirement and other authorized contributions. Upon conclusion of this industrial paid leave, a unit member may utilize any available Sick Leave benefits providing that any Sick Leave utilization, when combined with any temporary disability indemnity shall not exceed 100 percent of the unit member's normal compensation.

8.4.7 Return to Work

8.4.7.1 A unit member shall be permitted to return to service after an industrial accident or illness only upon the presentation of a release from the unit member's treating physician certifying the unit member's ability to return to his/her position classification without restrictions or detriment to the unit member's physical and emotional well-being. A unit member may be requested to be examined by a physician designated by the Department prior to being permitted to return to service. In the event that there is a disagreement by the physicians over whether the unit member is able to return to work, the Department retains the final decision as to the unit member's status.

8.4.7.2 A unit member may be returned to modified duty provided a position is available within the unit member's limitations and return to work would not be detrimental to the unit member's physical and emotional well-being.

8.4.8 A unit member who is eligible for reemployment and has been medically released for return to his/her duties, but fails to accept an appropriate assignment, shall be terminated.

1 8.4.9 When all available leaves of absence have been exhausted and the unit member is not medically able
2 to assume the duties of his/her position, he/she may elect to continue on a Personal Leave for a
3 period of up to one year. Continuation of any Personal Leave under this provision in excess of one
4 year shall be at the discretion of the Superintendent. The unit member shall be eligible for
5 reemployment upon submission of a physician's statement that he/she is able to resume his/her
6 duties.

7 8.4.10 A unit member shall notify the Department when engaging in or accepting other employment while in
8 any status authorized in provisions of Section 8.4.

9 **8.5 Pregnancy Leave**

10 8.5.1 Absence caused by disability due to pregnancy, childbirth or recovery from pregnancy or childbirth
11 shall be charged to Sick and Extended Illness Leave.

12 8.5.2 Two (2) statements from the unit member's physician will be required:

- 13 a) pre-delivery authorization form giving last day unit member can work; and
14 b) post-delivery statement giving day the unit member can return to work.

15 8.5.3 The Superintendent may, upon request, grant personal leave without pay.

16 **8.6 Leave to Care for a Family Member**

17 8.6.1 A unit member is entitled to use up to six (6) days of accrued Sick Leave in a calendar year to attend
18 to an illness of a child, parent, or spouse of the employee. A child includes biological, foster, or
19 adopted children, stepchildren, legal wards, or the child of a "person standing in loco parentis." A
20 parent includes a biological, foster or adoptive parent, a stepparent, or a legal guardian.

21 8.6.2 A unit member shall submit a completed Absence Request form to the immediate supervisor normally
22 within three (3) working days prior to the leave. The supervisor will forward the request to the
23 Assistant Superintendent, Administrative Services or his/her designee.

24 8.6.3 Provisions of this section shall remain in effect as long as Section 233 of the California Labor Code is
25 applicable to school employers.

8.7 Bereavement Leave

8.7.1 The purpose of Bereavement Leave utilization shall be for the death of a unit member's immediate family or the immediate family of the unit member's spouse or registered domestic partner as provided in Section 8.7.3 and 8.7.4.

8.7.2 Unit members exercising this leave of absence provision shall notify their immediate supervisor as soon as possible and state the expected duration of their absence.

8.7.3 A unit member shall be granted up to five (5) days for bereavement purposes for the death of a spouse, registered domestic partner, mother, father, brother, brother-in-law, sister, sister-in-law, son, son-in-law, daughter, daughter-in-law, stepparent, stepchild, stepbrother, stepsister, or any person living in the immediate household.

8.7.4 A unit member shall be granted up to three (3) days for bereavement purposes for the death of a grandmother, grandfather, grandchild, legal guardian, niece, nephew, aunt or uncle.

8.7.5 If travel in excess of 300 miles one way or out of state is required, two (2) additional days shall be allowed. Additional days of absence beyond those described herein may be provided under the terms of the Personal Necessity Leave provisions of this section.

8.7.6 All days of absence used under the provisions of Bereavement Leave shall result in no loss of compensation or Sick Leave to the unit member.

8.7.7 Immediately upon return to active service, unit members shall complete the appropriate absence form and submit it to their immediate supervisor.

8.7.8 Unit members shall provide, upon Department request, additional verification of the use of these leave provisions.

8.8 Visitation Leave

8.8.1 A one (1) day leave of absence for the purpose of studying or visiting other school programs or institutions will be provided each unit member, based on prior arrangements with the immediate supervisor.

1 8.8.2 Request for visitation will be made in writing to the immediate supervisor, citing the date, location and
2 purpose of the visit.

3 8.8.3 If requested, a summary presentation will be made to the school staff upon completion of the visitation.

4 8.8.4 An additional visitation day may be granted at the discretion of the supervisor.

5 **8.9 Annual Leave (Calendar Days Not Contracted)**

6 8.9.1 When applicable to the unit member, Annual Leave (calendar days not contracted) are to be planned
7 for as far in advance as possible and are to be taken with the concurrence of the supervisor.

8 8.9.2 After a leave request has been approved, the leave may not be canceled without the concurrence of
9 both the supervisor and the unit member.

10 8.9.3 As a general rule, unit members should plan Annual Leave with supervisors so that such leave will not
11 be disruptive to professional responsibilities. Nothing in this policy is to be construed as to limit the
12 number of times a unit member may take Annual Leave during each contract year.

13 8.9.4 If, while on Annual Leave, a unit member becomes ill or injured, he/she may request to transfer to Sick
14 Leave status. A physician's verification may be required.

15 8.9.5 Non-contract days that occur between the beginning and ending dates on the employment contract
16 shall be termed "Annual Leave."

17 **8.10 Travel/Study Leave**

18 8.10.1 Travel/Study Leave may be granted by the Superintendent or designee to unit members upon written
19 request, proposing the manner in which the leave will improve the teaching skills or knowledge of the
20 unit member. Such leave requests will demonstrate the benefit to the Department's educational
21 program.

22 8.10.2 Travel/Study Leave may be taken in separate, six (6) month periods or in any other periods
23 designated by the Superintendent for a maximum cumulative leave of one year provided that the total
24 leave shall be commenced and completed within a three (3) year period.
25

1 8.10.3 To be eligible for a Travel/Study Leave, the unit member must have seven (7) consecutive years of
2 full-time paid service in the Department and must agree to render at least two (2) years of service in
3 the employ of the Superintendent upon expiration of the leave.

4 8.10.4 Travel/Study Leave will only be granted for the purpose of full-time graduate study, research or travel
5 attendant to said study and/or research. Such study, research and travel must be related to the unit
6 member's work assignment.

7 8.10.5 Requests for Travel/Study Leave must be submitted to the Superintendent not later than six (6)
8 months prior to the proposed beginning of the leave. All requests for Travel/Study Leave shall be
9 submitted in writing and shall include a full statement of the purpose and plans for such leave.

10 8.10.6 A unit member on Travel/Study Leave shall receive the difference between the salary of the unit
11 member on leave and the salary of a substitute unit member in the position previously held by the unit
12 member on leave. If a substitute is not utilized, the unit member on leave shall receive one-half of the
13 unit member's regular rate of pay, or the difference between the unit member's regular rate of pay and
14 the substitute's entry salary, whichever is greater. Compensation to a unit member of Travel/Study
15 Leave shall be paid in two (2) equal, annual installments during the first two (2) years of service
16 rendered in the employ of the Superintendent following completion of the leave. However, if the unit
17 member furnishes a suitable bond indemnifying the Superintendent against loss in the event that the
18 unit member fails to render at least two (2) years of service following the completion of the
19 Travel/Study Leave, the compensation approved by the Superintendent will be paid the unit member
20 on leave in the same manner as if the unit member were in working status.

21 8.10.7 All requests for Travel/Study Leave shall be presented to the Superintendent in accordance with
22 policy.

23 8.10.8 Should the program of study, research, or travel approved for a unit member on Travel/Study Leave
24 be interrupted by accident or illness (established by evidence satisfactory to the Superintendent), this
25

fact will not constitute breach of conditions of such leave (or prejudice the unit member against receiving all rights and benefits provided for under the terms of the leave).

8.10.9 A Travel/Study Leave may be canceled at any time and converted to a resignation or other type of leave (except illness), if approved by the Department, providing a bond has been posted by the unit member.

8.10.10 A Travel/Study Leave may be canceled forty-five (45) days prior to the effective date of the leave, and the unit member shall return to work.

8.10.11 With prior agreement, materials developed by a unit member while on Travel/Study Leave are the property of the Department.

8.11 Judicial Leave

8.11.1 Judicial and official appearance leave may be granted for the purpose of regularly called jury duty, appearance as a witness in court other than as a litigant, or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the employee.

8.11.2 The employee seeking an official Judicial Leave shall notify the immediate supervisor of a potential jury duty absence, accompanied by a copy of the order for jury duty. An Absence Request/Report form shall be submitted prior to the beginning of the date of the leave. The dates of actual service may be added upon completion of jury duty as the actual duration will not be determined until completion of the jury duty service.

8.11.3 An employee may be granted Judicial Leave not to exceed the duration of the requirement of the official order for participation and appearance.

8.11.4 Upon return to active service, the employee shall complete the Absence Request/Report form and submit it to the immediate supervisor.

8.11.5 An employee on Judicial Leave shall receive full pay from the Department. The employee shall submit to the Department any payment received as a daily rate stipend for jury duty service. The employee

1 may retain the amount provided for mileage and parking compensation that is indicated on the stub of
2 the check or warrant.

3 8.11.6 The employee, upon receiving a check or warrant for jury duty service, shall submit to Payroll the stub
4 of the jury duty check or warrant, along with a personal check made out to the *Orange County*
5 *Department of Education* for the amount of the daily rate stipend only.

6 8.11.7 The employee shall provide, upon Department request, additional verification of the use of the Leave
7 provision.

8 **8.12 Carry Forward Non-Work Days**

9 8.12.1 A unit member may carry forward (roll) up to five (5) unused non-work days into the next school year.
10 No more than five (5) days may be carried forward.

11 8.12.2 The unit member must work at least 180 days in the school year.

12 8.12.3 The days carried forward cannot accumulate; i.e., no more than five (5) extra days will be allowed in
13 any year.

14 **8.13 Other Leaves**

15 8.13.1 Unit members shall be entitled to request leaves of absence without pay for travel, personal tragedy,
16 education, medical purposes, adoption, or exceptional personal need. Such leave requests must be
17 approved by the Superintendent.

1 ARTICLE 9 - TRANSFER/SPECIAL ASSIGNMENT

2 9.1 It is understood by the parties that any assignment, reassignment, or transfer of unit members shall be based
3 upon the legitimate needs and requirements of the program.

4 9.2 Definitions

5 9.2.1 Administrative Unit – A designated group of employees or school sites under the direction of a
6 principal or administrator.

7 9.2.2 Assignment – Any position occupied by a unit member.

8 9.2.3 Reassignment – A change in position within the administrative unit.

9 9.2.4 Transfer – A change in assignment from one administrative unit to another, or an involuntary
10 reassignment as described in 9.4.5. Reconfiguration of the administrative units will not be considered
11 a transfer.

12 9.2.4.1 Voluntary Transfer – A transfer that has been requested and/or accepted by the unit member.

13 9.2.4.2 Involuntary Transfer – A transfer that has been directed by the Department in writing. A unit
14 member will not be involuntarily transferred in two (2) consecutive years.

15 9.2.4.3 Superintendent's Transfer – A transfer that has been initiated by the Superintendent or the
16 Assistant Superintendent, Administrative Services.

17 9.3 For purposes of this Article, each administrative unit of the Department shall be considered a single school
18 entity, and members of the same classification may be assigned and reassigned within the unit by the
19 administrator. All bargaining unit members must identify their interest for both reassignment and transfer by
20 submitting to Human Resources the Reassignment/Lateral Transfer form in writing. New positions will be
21 posted by Human Resources for three (3) working days prior to interviews being scheduled. Unit members
22 must submit Reassignment/Transfer form not previously submitted on or before the end of business on the
23 third day. Vacancies will be filled from Reassignment/Transfer forms on file in Human Resources. Vacancies
24 not filled from the list will be posted by Human Resources for a minimum of three (3) working days. Human
25 Resources will send a reminder notice to all bargaining unit members by June 15, September 15, December

15, and March 15 to submit the Reassignment/Lateral Transfer form. Notices and forms shall be sent electronically. A unit member will be given written notice of reassignment/transfer transition period in accordance with Section 9.8 of this Article. The Department will notify the Association of all new positions and vacancies filled within thirty (30) calendar days of a transfer/reassignment that has been made. Reassignment/Lateral transfer forms submitted to Human Resources will become null and void on June 30.

9.4 Transfer Criteria

9.4.1 All new positions not filled by reassignment shall be advertised by Human Resources throughout the Department as a transfer.

9.4.2 Vacant positions may be filled by transfer requests on file in Human Resources.

9.4.3 Unit members shall have first consideration to fill a vacant or new position.

9.4.4 Unit members shall be considered for transfer based on the following criteria:

- Credential(s) to perform the required services
- Approval of the receiving administrator
- Special experience for a particular assignment
- Training for a particular assignment
- The needs of the program
- The efficient operation of the Department
- The length and quality of unit member service to the Department, including all information contained in formal evaluations

All the above criteria being equal, the unit member with the most seniority shall have the right of preference for transfer.

9.4.5 Any classroom reassignment which moves the unit member greater than fifteen (15) miles distance from the unit member's current assignment shall be considered a transfer unless their reassignment is voluntary.

9.4.6 For purposes of this Article, ancillary staff (see section 3.5.1 - all classifications except "Teacher", "Resource Specialist", "Adapted Physical Education Specialist", and "Vision Specialist" are ancillary) are hired for the program they serve. A program is defined as Special Schools or Alternative Education. Reassignments within the program are not considered a transfer. Geographic considerations will be given when determining assignments of ancillary staff in order to optimize service to students.

9.5 Superintendent or Assistant Superintendent, Administrative Services Transfer for special circumstances – In the event that a situation arises which requires an immediate response and is not otherwise covered in this Article, the Superintendent or Assistant Superintendent, Administrative Services or his/her designee may transfer a unit member or reassign a unit member to ensure the welfare of the employee(s) or the student(s). Such transfers shall not be for disciplinary reasons nor be arbitrary or capricious and shall not be held to the two-year transfer language limitations identified in 9.2.4.2. Before the transfer takes place, the Association must be made aware in writing.

9.6 As a general practice within the Department, any assignment, reassignment, or transfer shall be accomplished at a professional level, with as much mutual agreement between the member and the site administrator as is possible under the circumstances. Consideration shall be given to preparation time and moving assistance as provided in 9.8.

9.7 A unit member shall be eligible for transfer after the unit member has submitted a timely request for transfer to Human Resources indicating the position desired. The unit member shall be contacted and given an opportunity to interview, if not previously interviewed by the principal or designee during the school year. Reassignment/Lateral Transfer forms submitted to Human Resources will become null and void on June 30.

9.8 A unit member who has been transferred, or who must relocate to another classroom, shall be given from one (1) to five (5) working days (as needed) as a transition period at the new assignment during which time he/she shall not be assigned students.

9.9 Unit members who have been previously transferred from an administrative unit to alleviate staffing needs shall have priority right to transfer to a vacant or new position in that same administrative unit. In such instances, the position need not be opened and interviews need not be completed.

9.10 Depending upon the nature of the involuntary transfer, the member and the Association shall be notified in writing, and when possible, not less than two weeks in advance of the move, to ensure an orderly transfer and transition from one position to another.

9.11 In the absence of any specific Agreement provision which would apply, members who find that they are without an assigned position within the administrative unit due to some event including but not limited to closing and opening sites, and due to no act of their own, shall be given priority right of seniority of all those members similarly affected. This priority right shall be first exercised within the administrative unit and then, if applicable, within the program. Unit members shall not be transferred from an administrative unit while there are members with less seniority within the administrative unit. In such cases the least senior member(s) within the administrative unit will be transferred subject to the following:

9.11.1 The administrator will meet with a representative from the Association and Human Resources when unit members must be transferred.

9.11.2 All unit members in the administrative unit will be informed of their transfer rights and the number of unit members who must be transferred. Unit members will be informed of vacant and new positions available within the Department.

9.11.3 Voluntary transfers will be solicited from within the administrative unit. Unit members who voluntarily transfer will have transfer rights as provided in 9.9.

9.12 Other than their personal effects and contents of their desk, unit members shall not be required to transport or move the contents of their rooms to a new site or room. With prior arrangement, members who help move their rooms after school hours and on weekends shall be compensated at their hourly rate.

9.13 Staff Rotation - A unit member may initiate an exchange of assignment for part or all of the contract year in other Department schools where he/she is certified to serve. A change in assignment may be made when

1 there is agreement among the involved supervisor(s) and the unit member(s). If, at the conclusion of the
2 exchange period, all parties agree, the exchange of assignment shall become permanent.

3 9.14 A member shall not be required to forfeit any provision of this Article as a condition for transfer or
4 reassignment.

5 9.15 Teachers on Itinerant Status in ACCESS

6 9.15.1 Up to 18 of the least senior teachers (based on seniority date) excluding Special Ed teachers. Special
7 Ed teachers are Itinerant by the nature of the assignment.

8 9.15.2 Itinerant teachers may be transferred to meet the needs of the program and to fulfill absences or
9 vacancies of teachers on leave.

10 9.15.3 Except when placed in an assignment expected to last 30 calendar days or less, each time an itinerant
11 teacher is transferred during the school year, he/she shall be given from one (1) to five (5) working
12 days (as needed) as a transition period at the new assignment during which time he/she shall not be
13 supervising students. This time shall be used for classroom set up and curriculum development.

14 9.15.4 Sections 9.4.3, 9.4.5, 9.6, 9.8, 9.9, 9.10, 9.11, 9.11.1, 9.11.2, and 9.11.3 shall not be applicable during
15 the duration of the itinerant assignment.

16 9.15.5 Should a vacancy not be filled via reassignment or transfer, itinerant teachers shall have a priority right
17 to fill vacant, permanent teaching positions for which they are qualified based upon department
18 seniority prior to any external recruitment.

19 9.15.6 Itinerant teachers who are required to travel more than 15 miles from assigned administrative unit
20 regional office or current assignment to fill an assignment will be compensated for mileage. In the
21 event the change of assignment is within 15 miles of the current assignment but greater than 15 miles
22 from the regional office, no mileage would be paid.

23 9.15.7 Itinerant teachers may have a roster and an assigned work site. This does not exclude them from
24 fulfilling day to day assignments as required. Administrators will contact itinerant teachers in advance
25 if they are required to go to a different work assignment.

1 9.15.8 A list of all itinerant teachers will be provided to the Association at the beginning of each fiscal year
2 and updated lists will be provided as changes occur within thirty (30) days of any change in
3 assignment lasting more than 30 days. Listing shall include name, seniority date and assignment
4 location.

5 9.16 In cases of a reduction in force, provisions of the California Education Code shall apply.

6 9.17 Unit Member on Special Assignment

7 9.17.1 A unit member may be placed on special assignment as provided in this section. The special
8 assignment shall be voluntary and may be terminated by the Department without cause or terminated
9 by the unit member without prejudice.

10 9.17.2 The special assignment shall not be supervisory in nature as related to the collective bargaining law
11 (Government Code 3540.1 (m)).

12 9.17.3 Unless otherwise specified in this section, all Agreement provisions shall apply, with the unit member
13 retaining all seniority rights as to classification. Upon conclusion of the special assignment, the
14 administrator and the unit member will meet to determine a mutually agreed upon assignment within
15 the administrative unit. If mutual agreement is not reached, the provisions of Article 9 - Transfers will
16 apply.

17 9.17.4 Special assignments designated for service at a site, within an administrative unit, within a program, or
18 generally within the Department, respectively, shall be announced and filled at that respective level.
19 No special assignment shall exceed twenty-four (24) consecutive months.

20 9.17.5 The unit member on special assignment shall continue to receive regular salary during the inclusive
21 dates of the special assignment and will continue to work the seven-hour professional day.

22 9.18 The provisions of this Article shall be applied by the Department in a manner that is not arbitrary, capricious
23 or discriminatory.

10.1.3.2 The parties agree to pursue a goal of ensuring all classrooms provide the regulatory and/or statutory required space, safety standards and necessary instructional equipment.

10.1.3.3 Up to three (3) days each year will be set aside for teacher inservice sessions. These days will be regular work days, and all teachers will be required to attend. The responsibilities for organizing the inservice will be the Department's in cooperation with the Association.

10.1.4 Unit members may, upon one (1) week's notice, be requested to participate in a reasonable amount of inservice training.

10.3.4 Unit members may, upon one (1) week's notice, be requested to attend a reasonable amount of inservice training.

10.4 General Provisions

10.4.1 A teacher may use such reasonable force as is necessary to protect him/herself from attack, to protect another person, to prevent damage to property, to quell a disturbance threatening physical injury to others, or to obtain possession of weapons or other dangerous objects. The amount of force permitted within the concept of "reasonable force" will vary greatly dependent upon the circumstances. Greater force would be permitted, for example, to protect a school unit member or pupil from imminent and serious bodily harm than would be justified to protect property. Use of "reasonable force" is only to be considered appropriate as a means of prevention of injury to persons or damage to property.

10.4.2 The Department shall pay the cost of replacing or repairing property of a unit member when such property is necessarily worn or carried by the unit member and is damaged without fault of the unit member, while in the line of duty. Such property would include eyeglasses, hearing aids, dentures, watches, and certain articles of clothing. If the property is damaged beyond repair, or stolen, the actual cash value of such property shall be determined as of the time of the damage. The Department shall pay only the amount not covered by the unit member's personal insurance. Payment to a unit

1 member under this section shall not exceed \$1,000.00 in any fiscal year. Unit member must provide
2 proof of value of an item of property satisfactory to the Department prior to exercising provisions of this
3 section.

4 10.4.3 Unit members shall not bring personal property, other than necessary clothing and jewelry, on campus
5 unless prior written approval has been obtained from the site supervisor. Unit member shall report any
6 loss to his/her supervisor immediately.

7 10.4.4 The Department is joint tenant in a number of school districts where campus facilities are shared with
8 the host district. Notwithstanding any provision of Article 10 - Employment Conditions, primary duty
9 time for unit members assigned to such programs may conform to the host districts standard.

10 10.4.5 Minimum day schedules may be implemented at the discretion of the site administrator. If, in
11 implementing the minimum day schedule in Special Schools, Programs and Services, the maximum
12 time requirement for primary duties exceeds the contractual limit, a majority of the unit members at the
13 site must agree to the exception.

14 10.4.6 The professional day for all unit members shall consist of seven (7) hours inclusive of a fifteen- (15)
15 minute on-campus break and a thirty- (30) minute duty-free lunch. The professional day will
16 commence at the unit member's scheduled arrival time. Any modification to the scheduled arrival time
17 must be mutually agreed to in advance by the site administrator and the unit member. Break time and
18 the lunch period shall not be taken at the beginning or end of the professional day. During the duty-
19 free lunch period, the staff member may leave the site. If the lunch period at a site exceeds thirty (30)
20 minutes, the on-site work day shall be extended proportionally. It is understood that an individual unit
21 member may request that the lunch period be extended on a particular day. Such extension must
22 have the prior approval of the site administrator or designee. The professional day shall include both
23 primary duty time and adjunct duties. Adjunct duties may be performed outside the professional day.
24 No hours may be accumulated for purposes of shortening the professional day. The seven (7) hour
25

professional day does not extend the primary duty time provisions of the Agreement. The professional day may be modified with Association and Department approval.

10.4.7 When student instruction precludes the unit member from taking a duty-free lunch and/or a break during the school day, forty-five (45) minutes of break/lunch time may be scheduled at the beginning or end of the professional day with mutual agreement of the site administrator and unit member. Not less than thirty (30) minutes of this time will be duty free and the unit member may leave the site for the day.

10.4.8 In programs where lunch and breaks are determined by an outside agency, unit member's break/lunch time will align with the outside agency's schedule. When staff meetings are scheduled during a lunch period, a duty-free lunch period of not less than thirty (30) minutes shall be provided.

10.4.9 Recall Rights

10.4.9.1 Should a Reduction in Force (RIF) occur and unit members are subsequently laid off, the order of recall/return for those unit members not otherwise established by statute (i.e. those unit members without a Department seniority date) shall be as follows: 1) unit members possessing a regular credential, 2) unit members possessing a district intern certificate, 3) unit members possessing a university internship credential, 4) unit members possessing a provisional internship permit, 5) unit members possessing a short-term staff permit. The order of recall/return for unit members sharing the same type of credential, certificate and permit shall be based upon the most recent continuous service date of hire.

10.4.9.2 The parties acknowledge that the California Commission on Teacher Credentialing (CCTC) regularly changes the requirements and designations for credentials, certificates and permits. Any successor or replacement credentials, certificates or permits for those listed above in Section 10.6.10.1 shall not alter the order of recall/return.

1 10.4.10 A joint committee composed of representatives from OCDE and OCSEA will meet semi-annually to
2 review the above referenced caseloads/rosters. The Assistant Superintendent, Administrative
3 Services or his/her designee will develop the appropriate meeting timeframe, and the Association will
4 appoint three (3) members to serve on the committee.

1 ARTICLE 11 - GRIEVANCE PROCEDURE

2 11.1 Definitions

3 11.1.1 A "grievance" is a claim by one or more unit members or by the Association that there has been a
4 violation, misinterpretation, or misapplication of a provision of this Agreement which adversely affects
5 the grievant.

6 11.1.2 The term "grievant" may include a group of certificated unit members similarly affected by a grievance.
7 In cases in which multiple grievances are filed on the same issue, only the first written grievance filed
8 will be processed, and the decision rendered shall be applicable to all grievances on the same issue.

9 11.1.3 A "party of interest" is any person who might be required to take action or against whom action might
10 be taken in order to resolve the claim.

11 11.1.4 The term "days" when used in the procedure shall, except where otherwise indicated, mean working
12 days on which the Central Administrative office is open for business.

13 11.2 Purpose

14 11.2.1 The purpose of this procedure is to secure, at the first administrative level designated to resolve
15 grievances, equitable solutions to grievances. Both parties agree that these proceedings will be kept
16 as informal and confidential as may be appropriate at any level of the procedure.

17 11.2.2 Nothing contained herein will be construed as limiting the right of any unit member having a grievance
18 to discuss the matter informally with any appropriate member of administration, and to have the
19 grievance adjusted.

20 11.3 Informal Procedure

21 11.3.1 The grievant has the option to meet with the immediate supervisor to discuss the potential grievance in
22 an attempt to resolve it informally. Neither the grievant nor the immediate supervisor may include
23 another person at this meeting. If the grievant elects this option and the potential grievance is not
24 resolved at this informal procedure, the grievant may proceed to the formal procedure.

11.4 Formal Procedure

11.4.1 Level One

11.4.1.1 Within thirty (30) days after the date on which the grievant acquires knowledge or reasonably would be expected to know of the event or action which gave rise to the grievance, the grievant must present the matter in writing to the immediate supervisor. The statement of the grievance shall be a concise statement of the circumstances giving rise to the grievance. The statement shall cite the specific section and page of this Agreement that is alleged to have been violated, the decision rendered at the informal conference, and the specific remedy sought.

11.4.1.2 The grievant and the supervisor shall discuss the grievance within ten (10) days to arrive at a mutually satisfactory solution to the problem. At the conference, the grievant may appear alone, or he/she may be represented by a recognized representative of the Association. When the grievant is represented, he/she must also be present.

11.4.1.3 Following the conference, the supervisor shall communicate, in writing, his/her decision to the grievant within ten (10) days.

11.4.2 Level Two

11.4.2.1 In the event a grievance is not satisfactorily resolved at Level One, the grievant may appeal to the Cabinet Representative. Such an appeal shall be made within ten (10) days after the grievant has received the decision from the supervisor. It shall also state the name of the grievant's representative, if any. Copies of the appeal are to be directed to the Deputy Superintendent and the Assistant Superintendent, Administrative Services or his/her designee.

11.4.2.2 The meeting and conference with the grievant on the grievance shall occur within ten (10) days to arrive at a mutually satisfactory resolution to the complaint. The grievant and his/her

representative, if any, shall be given at least two (2) days notice of the conference. When the grievant is represented, he/she must be present.

11.4.2.3 Following the conference, and within ten (10) days, the Cabinet Representative shall communicate the decision in writing, together with supporting reasons, to the grievant and the first level supervisor.

11.4.3 Level Three

11.4.3.1 If the grievance is not resolved at Level Two, the grievant may appeal the decision to the Deputy Superintendent within ten (10) days after the decision of the Cabinet Representative has been mailed. The appeal shall set forth, specifically, the reasons for the appeal.

11.4.3.2 The Deputy Superintendent shall meet and confer with the grievant on the grievance within ten (10) days to arrive at a mutually satisfactory solution of the complaint. The grievant and his/her representative, if any, shall be given at least two (2) days notice of the conference. When the grievant is represented, he/she must be present or be excused by mutual consent of the grievant and the Deputy Superintendent.

11.4.3.3 Following the conference and within ten (10) days, the Deputy Superintendent shall communicate the decision in writing, together with supporting reasons, to the grievant.

11.4.4 Level Four

11.4.4.1 If the grievant is not satisfied with the decision at Level Three, he/she may request the Association to submit the grievance to advisory arbitration, or appeal directly to the Superintendent. If the Association concurs with the grievant's request for advisory arbitration, the Association shall, within twenty (20) days of the Deputy Superintendent's decision, submit a request in writing to the Superintendent for advisory arbitration of the dispute and the Department shall comply with the request. The Association and the Department shall attempt to agree upon an Arbitrator and if no agreement can be reached, the parties shall request the American Arbitration Association to supply a panel of five (5) names of persons experienced in

1 hearing grievances in public schools. Each party shall alternately strike a name until only one
2 name remains. The remaining panel member shall be the Advisory Arbitrator. The order of
3 striking shall be determined by the flipping of a coin.

4 11.4.4.2 The fees and expenses of the Arbitrator and the hearing shall be borne equally by the
5 Department and the Association. All other expenses, including fees for the witnesses or the
6 costs of substitutes for witnesses, shall be borne by the party incurring them, except as
7 provided elsewhere in this Article.

8 11.4.4.3 If the parties cannot agree upon a submission agreement, the Arbitrator shall determine the
9 issues by referring to the written grievance and the answers thereto at each level. In disputed
10 cases regarding whether or not a grievance claim is within the scope of these proceedings,
11 the Arbitrator shall rule on the ability to arbitrate the issue.

12 11.4.4.4 The Arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the
13 terms of this Agreement, but shall determine only whether or not there has been a violation,
14 misapplication, or misinterpretation of this Agreement in respect to the allegations contained in
15 the grievance. The decision of the Arbitrator shall be based solely upon the evidence and
16 arguments presented to him/her by the respective parties in the presence of each other.

17 11.4.4.5 The Arbitrator shall render a decision in writing, including any award judged to be proper,
18 within a reasonable time after the close of the hearing. Hearings shall be conducted
19 according to the rules of the American Arbitration Association. The decision of the Arbitrator
20 shall be submitted to all parties involved and, when possible, shall be implemented within
21 twenty (20) days unless the Superintendent rejects the Arbitrator's decision. In those cases
22 where the decision of the Superintendent is to reject the decision of the Arbitrator, the grievant
23 shall be granted a hearing before the Superintendent. The fees and expenses of the
24 Arbitrator shall be borne equally by the Department and the Association, unless the
25

1 Superintendent rejects the Arbitrator's decision, in which case the Department shall bear all
2 costs. The decision of the Superintendent is final.

3 **11.5 General Provisions**

4 11.5.1 No reprisals of any kind shall be taken by any party to this procedure against any party in interest, any
5 witnesses and/or representatives, or any other participant in the grievance procedure by reason of
6 such participation.

7 11.5.2 Forms for filing and processing grievances and other documents necessary under the procedure shall
8 be prepared by the Department and given distribution so as to facilitate operation of the grievance
9 procedure.

10 11.5.3 Failure at any level of the procedure to communicate the decision on a grievance or hold a required
11 meeting within the specified time limits shall permit the grievant to proceed to the next level. Failure at
12 Level Three to communicate the decision shall be deemed a default in favor of the grievant.

13 11.5.4 Failure at any step of this procedure to appeal a grievance to the next level within the specified time
14 limits shall be deemed as acceptance of the decision rendered.

15 11.5.5 The time limits specified at any level of this procedure may be extended in any specific instance by
16 mutual agreement.

17 11.5.6 All communication, notices, and papers required to be in writing shall be served personally or by U.S.
18 Certified Mail.

19 11.5.7 Both parties may secure advice of and be represented by counsel at their own cost.

20 11.5.8 There may be a waiver of Level One proceedings by mutual consent when extenuating circumstances
21 preclude potential resolution between the grievant and the immediate supervisor. A grievance may be
22 submitted at Levels Two or Three provided mutual approval of the Superintendent or designee and
23 unit member has been obtained in advance.

24 11.5.9 All grievances commencing with Level One will be submitted on forms developed by the Department.
25

1 11.5.10 Once a grievance arising from a particular incident(s) or circumstance(s) has been resolved, another
2 grievance based on that particular incident may not be filed unless the resolution has not been
3 implemented within the time period written in the resolution.

4 11.5.11 All documents, communications, and records dealing with the processing of a grievance will be filed in
5 a separate grievance file and will not be kept in the personnel file of any of the participants.

6 11.5.12 The function and purpose of the Arbitrator is to determine disputed interpretation of terms actually
7 found in the Agreement or to determine disputed facts upon which the application of the Agreement
8 depends. The Arbitrator shall, therefore, not have authority, nor shall he/she consider it his/her
9 function, to decide any issue not submitted or to so interpret or apply the Agreement as to change that
10 which can fairly be said to have been the intent of the parties as determined by generally accepted
11 rules of contract construction. Past practice of the parties in interpreting or applying terms of this
12 Agreement may be considered relevant evidence. The Arbitrator shall not render any decision or
13 award, or fail to render any decision or award, merely because in his/her opinion such decision or
14 award is fair or equitable.

15 11.5.13 No decision rendered by the Arbitrator shall be retroactive beyond the beginning of this contractual
16 year.

17 11.6 Association Representative in Grievance Procedure

18 11.6.1 The Association shall appoint and approve those members authorized to represent unit members in
19 grievance settlement procedures set forth in this Grievance Procedure. Approved and authorized
20 Association representatives shall not exceed five (5) in number.

21 11.6.2 Designated representatives shall have the right to receive reasonable periods of time without loss of
22 compensation when handling the grievance process.

23 11.6.3 In the event that attendance at a grievance conference by the Association representative results in the
24 use of a substitute, the cost of such substitute service shall be borne by the employer.

25 11.7 The Agreement will be annotated to reflect the decision and/or resolution of a grievance.

1 ARTICLE 12 - CERTIFICATED PERSONNEL FILES

2 12.1 Materials in personnel files of unit members which may serve as a basis for affecting the status of their
3 employment are to be made available for inspection by the person involved.

4 12.2 Such material for inspection is not to include ratings, reports or records which (a) were obtained prior to the
5 employment of the person involved; (b) were prepared by identifiable examination committee members; or (c)
6 were obtained in connection with a promotional examination.

7 12.3 Every unit member shall have the right to inspect such materials upon request provided that the request is
8 made at a time when such person is not actually required to render services to the Department.

9 12.4 Information of a derogatory nature, except material mentioned in the second paragraph of this section, shall
10 not be entered or filed unless and until the unit member is given notice and an opportunity to review and
11 comment thereon. A unit member shall have the right to enter, and have attached to any such derogatory
12 statement, his/her own comments thereon. Such review shall take place during normal business hours of the
13 Central Administrative Office, and the unit member may be released from duty for this purpose without salary
14 reduction. When a unit member requests to review his/her personnel file, he/she may be accompanied by a
15 person of his/her own choice if he/she so desires.

1 ARTICLE 13 - EVALUATIONS

2 13.1 Evaluation and assessment of performance of each unit member shall be made on a continuing basis as
3 follows:

- 4 a) At least once each school year for probationary personnel
- 5 b) At least every other year for personnel with permanent status
- 6 c) Evaluation of the performance of permanent unit members who have been employed at least five (5)
7 years with the Department, are highly qualified (as defined by NCLB), and whose previous evaluation
8 rated the employee as meeting or exceeding standards, shall be made at least every five (5) years, if
9 the evaluator and the unit member being evaluated agree. The unit member or the evaluator may
10 withdraw consent at any time.

11 13.2 Pre-evaluation procedures may be used to help improve instruction quality, promote collaboration between
12 unit members and administrators, and prevent unsatisfactory performance. This process may be part of the
13 formal evaluation process for unit members. An unsatisfactory evaluation may not be issued to a
14 permanent unit member unless the Planning Conference form and two World Class Education Observation
15 forms have been completed within a twelve (12) month period ending April 15 of the evaluation year and
16 the mutually agreed upon strategies between the unit member and the administrator have been re-
17 evaluated by the parties involved. Observations are to be spaced at least three weeks apart.

18 13.3 (intentionally left blank)

19 13.4 Formal Evaluation Sequence

Step	Action	Calendar
21 a)	Group and individual orientation for those scheduled for evaluation.	Prior to 10/1
22 b)	Initial conference in which the evaluator and the unit member meet and formulate the standards of expected student progress upon which the evaluation is based. Standards of expected student progress shall be in written form and signed by both parties.	Prior to 10/15
24 c)	Formal classroom observation to last a minimum of twenty-five (25) minutes.	Prior to 1/30

- | | | |
|----|---|--|

| f) | Final conference and written evaluation signed by the evaluator. | No later than 4/15 |
| g) | Final written evaluation to be signed by the unit member, with comments if desired. | No later than 4/15 |

13.5 This time sequence may be altered when a new unit member is hired during the year or when circumstances are such that it would be impossible to abide by it, or by mutual consent of the supervisor and the unit member.

13.6 During the course of the evaluation period, mitigating circumstances may arise which require modification of the evaluation criteria. The determination of new evaluation criteria shall be arrived at in accordance with (b) under Section 13.4 of this Agreement with the waiver of time limitations.

13.7 The observation conference will consist of discussion and review of the unit member's progress toward attainment of the goals formulated in the initial conference.

13.8 The established grievance procedure of the Department may be utilized for processing any disputes which arise over the evaluation process. In the event that a dispute arises and such dispute is resolved in favor of the unit member, no record of the disputed evaluation shall be kept by the Department in any file, office, or place. Any such record(s) shall be delivered to the evaluatee for disposition.

13.9 Unit members shall not be required to participate in the evaluation and/or observation of other certificated personnel nor shall they be required to assess their own performance.

13.10 The final evaluation is to be based on observations and criteria listed in goals and objectives of the initial conference, or as modified by Section 13.6.

13.11 Forms to implement this procedure will be mutually agreed upon by the Department and the Association. Forms will be mutually reviewed for possible modification. The mutual review shall be done on a program

by program basis. Up to three (3) unit members for each program shall be selected by the Association.

The Department will select up to three (3) representatives.

1 ARTICLE 14 - PEER ASSISTANCE AND REVIEW

2 14.1 The Association and the Department intend to implement the provisions of Chapter 4 of the Statutes of
3 1999 with respect to the Peer Assistance and Review Program (PAR), as it may be amended, and any
4 applicable regulations. The Department may take such action as necessary to comply with the law
5 requiring coordination of the PAR program with the Beginning Teacher Support and Assessment (BTSA)
6 Program, OCDE internship program, and other professional development programs, so long as the action
7 does not violate a specific provision of this Article.

8 14.2 Effective on July 1, 2000, Article 14 - Mentor Teacher Program and all obligations rights, activities and
9 practices related to that program shall terminate.

10 14.3 Implementation of PAR is contingent upon official notification by the State that the Department is eligible for
11 and will be receiving funds specified in ABX 1 for PAR.

12 14.4 Peer Assistance and Review Joint Panel (Panel)

13 14.4.1 The Panel will consist of five (5) employees of the Department. Three (3) members of the Panel must
14 be unit members chosen by OCSEA. The Superintendent or his/her designee will select two (2)
15 administrators to serve on the Panel. The Panel will appoint a chair from its membership.

16 14.4.2 The chair will rotate between an Association and management representative every other year.

17 14.4.3 Unit members on the Panel will receive paid time for purposes of conducting classroom observations
18 of classroom teachers being considered for appointment as Consulting Teachers.

19 14.4.4 The Department will notify the Panel in writing of those teachers being required to participate in PAR
20 based on an overall unsatisfactory performance evaluation.

21 14.4.5 The Department will notify the Panel in writing of those permanent classroom teachers who volunteer
22 to participate in the PAR Program.

23 14.4.6 The Panel will amend and clarify procedures to implement the PAR program as necessary.

24 14.5 The Panel shall recruit and select Consulting Teachers.

25 14.5.1 In order to be eligible for selection, Consulting Teachers shall meet the following requirements:

14.5.1.1 Permanent status classroom teachers employed full time by the Department

14.5.1.2 At least five (5) years recent instructional experience

14.5.1.3 Demonstrated exemplary teaching ability as indicated by effective communication skills, subject matter knowledge, and mastery of a range of teaching strategies necessary to meet the needs of pupils in different contexts

14.5.1.4 Ability to communicate effectively both orally and in writing

14.5.1.5 Ability to work cooperatively and effectively with others

14.5.1.6 Knowledge and understanding of the California Standards for the Teaching Profession

14.5.2 The Panel shall follow written procedures and criteria for recruiting and selecting Consulting Teachers and Instructional Coaches, which will be in accordance with this Article and applicable law, and will be applied in a reasonable and consistent manner. The Panel as needed may select Consulting Teachers and Instructional Coaches at any time during the school year. Consulting Teachers will be appointed to serve for a one (1) year term. Instructional Coaches will be appointed to serve for a three (3) year term. No employee may serve for more than two (2) consecutive terms as a Consulting Teacher or Instructional Coach. Following the completion of two (2) consecutive terms, a Consulting Teacher or Instructional Coach must wait one (1) year before being considered for another assignment as a consulting Teacher or Instructional Coach.

14.5.3 At least two (2) representatives from the Panel shall conduct at least one (1) informal classroom observation of each candidate for Consulting Teacher prior to selection. The observation may be scheduled or unscheduled at the discretion of the Panel. This observation will not be part of any evaluation process.

14.5.4 The Panel's selection procedures, activities, and criteria, and its judgments regarding selection of a Consulting Teacher, shall not be subject to the grievance procedure.

14.5.5 The Panel will develop standards and guidelines to be used by the Consulting Teacher in working with participants. This will include, but not be limited to, timelines for a completion of peer review reports

for submission to the Panel. The Consulting Teacher will provide the Evaluator with a schedule of contacts and activities related to strategies to assist the Mandatorily Referred Teacher in meeting goals that have been mutually agreed to with the Administrator on his/her Individual Performance Plan (IPP form to be developed when needed).

14.6 Model Classroom

14.6.1 The Model Classroom program will be established in the Alternative Education for Institutions, Contract Learning and Community Schools. The PAR Program will reinforce the continuation of the Model Classroom maintained by the Special Education Services Division. The major goal of the Model Classroom experience is to provide staff development to meet the needs of students. Model Classrooms provide instructional staff with the opportunity to enhance instructional skills and abilities by participating in a classroom experience with follow-up support.

14.6.2 The selection criteria for Instructional Coaches will be the same as those for the Consulting Teachers under Section 5.1.

14.6.3 PAR will consist of training programs designed around the needs of new and participating teachers, integrating the California Standards for the Teaching Profession and the K-12 academic content standards. Written materials generated in this process may be included in the employee file at the option of the employee.

14.6.4 Instructional Coaches will receive an annual stipend of \$3,000 for service provided from July until June. Any Instructional Coach hired for service after January 1 will be paid a prorated amount based on the months of service remaining in the school year.

14.7 The Panel will also perform these additional functions:

14.7.1.1 Review reports prepared by the Consulting Teachers. The Panel will complete this process in accordance with timelines established by the Agreement in order to permit the timely completion of the evaluation process.

14.7.1.2 The Panel will report to the Superintendent or his/her designee regarding Mandatorily Referred Participants in PAR. This report will be based on contact reports from the Consulting Teacher. In making this report, the Panel shall consider any assistance offered to or received by the participant during the period of participation in the PAR Program.

14.7.1.3 Annually determine impact of the PAR program by using standardized interview or a survey process with specific rubrics and criteria for the PAR participants.

14.7.1.4 Submit recommendations for improvement of the PAR program to the Superintendent or his/her designee and the Association.

14.7.1.5 The Panel will adopt and manage the PAR budget for Special Education Services and ACCESS. They will review both income and expenditures for the PAR Program at regularly scheduled meetings. Both administrative designees have been charged with making routine and regular expenditures related to the PAR Program with concurrence from the Panel. Both designees shall report on expenditures on at least a quarterly basis.

14.7.1.6 Recommendations from the Panel for budgetary amendments such as increases in stipends for Instructional Coaches, Consulting Teachers and Panel Members will be referred to the Interest Based Problem Solving (IBPS) Team.

14.8 The evaluation, assessment, and recommendations of the Panel and the activity logs provided by the Consulting Teachers and Instructional Coaches shall be advisory only, for the benefit of the participating teachers and the Department, and shall in no way limit the Department's discretion or authority with regard to decisions and actions regarding the employment status of any unit member including, but not limited to, the evaluation, assignment, reassignment, transfer, promotion, demotion, discipline, layoff, or dismissal. The fact that the employee is participating in PAR will not limit or delay the Department's authority or discretion to make any such decision or take any such action. Participation in PAR will not create any right or expectancy of continued employment by the Department for any period of time.

1 14.9 Teachers, by receiving an unsatisfactory performance evaluation, shall be mandatorily referred to PAR and
2 shall not be eligible for transfer unless approved by the Superintendent or designee.

3 14.10 A Consulting Teacher provides support to a Mandatorily Referred Teacher in improving instructional
4 performance. This assistance will typically include:

5 14.10.1 Setting and discussing performance goals with the teacher

6 14.10.2 Multiple observations of the teacher during periods of classroom instruction;

7 14.10.3 Meeting and consulting with the Mandatorily Referred Teacher and the teacher's Evaluator twice –
8 once at the beginning and once at the end of the process

9 14.10.4 Demonstrating good practice to the teacher

10 14.10.5 Using Department resources to assist the teacher

11 14.10.6 Monitoring the progress of the teacher and maintaining a written record

12 14.10.7 Providing an activity log to the Panel for each Mandatorily Referred Teacher

13 14.10.8 The Consulting Teacher will not work with more than two (2) teachers in any school year.

14 14.11 Consulting Teachers will be trained to offer both PAR peer assistance and review and to understand the
15 specific functions of the PAR program. The Panel will monitor and evaluate the effectiveness of the
16 Consulting Teacher and will make decisions regarding their continuation in the program. The Panel may
17 remove a Consulting Teacher from the position at any time because of the specific needs of the PAR
18 Program or inadequate performance of the Consulting Teacher. Prior to the effective date of such removal,
19 the Panel will provide the Consulting Teacher with a written statement of the reasons for the removal, and, at
20 the request of the Consulting Teacher, will meet with him/her to discuss the reasons.

21 14.12 As soon as practicable after referral to PAR, a Mandatorily Referred Teacher will choose a Consulting
22 Teacher from the list provided by the Panel. The Consulting Teacher should teach in the same program as
23 a Mandatorily Referred Teacher.

24 14.12.1 The Evaluator and the Mandatorily Referred Teacher will mutually develop agreed upon Individual
25 Improvement Plan goals.

1 14.12.2 The Evaluator will convene a meeting attended by the Consulting Teacher, the Evaluator, and the
2 Mandatorily Referred Teacher for the purpose of discussing the Mandatorily Referred Teacher's
3 Individual Improvement Plan goals. The Association may attend and represent the Mandatorily
4 Referred Teacher upon his/her request.

5 14.12.3 The Consulting Teacher and Administrative Evaluator will meet with the Mandatorily Referred
6 Teacher to hear the Evaluator's recommendations for improvement and suggested Individual
7 Improvement Plan goals. The Evaluator and Mandatorily Referred Teacher will mutually agree to the
8 final Individual Improvement Plan goals.

9 14.12.4 Based upon these discussions, the Consulting Teacher will assist the Mandatorily Referred Teacher
10 in working toward the goals he/she mutually agreed to with his/her Evaluator.

11 14.12.5 The Consulting Teacher will periodically provide the Administrator and Panel a record of contacts and
12 activities made with the Mandatorily Referred Teacher.

13 14.12.6 The Consulting Teacher will continue to provide assistance to the Mandatorily Referred Teacher until
14 they conclude that assistance is no longer needed or will not be productive. The Consulting Teacher
15 and Mandatorily Referred Teacher will mutually decide on schedules and agendas for each meeting.
16 The Consulting Teacher's activity log will become part of the personnel file.

17 14.13 With respect to each Mandatorily Referred Teacher, the Evaluator should:

18 14.13.1 Ensure that performance goals are clearly stated and aligned with pupil learning. Failure of a
19 participant to cooperate with the Consulting Teacher and Evaluator may be grounds for disciplinary
20 action.

21 14.13.2 Communicate an expectation of and strong encouragement for a cooperative relationship between
22 the Consulting Teacher and the Mandatorily Referred Teacher with respect to the "process" of peer
23 assistance and review.

24 14.14 Compensation shall be provided as follows:

25 14.14.1 Unit members serving on Panel shall receive a \$1,500 annual stipend.

1 14.14.2 Attendance at Panel meetings is mandatory. All meetings will generally take place after the
2 professional day. A Panel Member who misses more than 25 percent of the scheduled meetings in a
3 school year will be replaced by his/her respective representative group, following notification by the
4 Panel.

5 14.14.3 Unit members serving as Consulting Teachers shall be compensated at \$200 per day above their
6 daily rate of pay for those days spent meeting and working directly with a Mandatorily Referred
7 Teacher. Time will be reported on a certificated time sheet and must be signed by the Consulting
8 Teacher's administrator. Days submitted shall not exceed eighteen (18) per school year per

1 ARTICLE 15 - ACADEMIC FREEDOM

2 15.1 It is mutually recognized that freedom carries with it responsibility; academic freedom also carries with it
3 academic responsibility which is determined by the basic ideals, goals and institutions of the community.

4 Discussion and analysis of controversial issues should be conducted within the framework of the
5 fundamental values of the community as they are expressed in the education philosophy and objectives of
6 the Department.

7 15.2 The Department recognizes that unit members can and should operate freely within the established
8 procedures for review of instructional materials and/or methods of instruction. Unit members are encouraged

20 that level.

21 15.3.3 If agreement is not reached at this level, the complainant shall be requested to state his/her case in
22 writing and shall be informed that the statement shall include the name of the unit member, date,

The complainant shall not become a party to the grievance.

1 ARTICLE 16 - SAFETY

2 16.1 The Superintendent shall, within the limitation of its financial capabilities, provide a safe working
3 environment for employees. The Superintendent shall comply with the provision of the California State

17 OCSEA shall appoint three (3) representative(s) to serve on this Committee. The Committee shall meet a
18 minimum of four (4) times per school year. The Department shall provide paid time to unit members serving
19 on the Committee in order for them to attend Committee meetings during their normal work day. OCSEA

5 being defined as one site. The term of a site liaison shall be limited to no more than two (2) consecutive
6 years of service, unless, after an application/interview process another viable candidate is not identified at
7 that site. Such assigned unit members will maintain their classification under this Agreement.

8 17.2 The site liaison performs all the normal functions and duties of a teacher, and in addition, assumes
9 designated functions and duties of the administrator in his/her absence due to illness, non-work days, or
10 other events or situations that preclude the administrator from being on campus. The site liaison shall not
11 assume any supervisory, evaluative and/or disciplinary functions typically performed by the principal/site

21 17.4.2.1 Effective July 1, 2006, when the site liaison position is being shared by more than one unit
22 member, the compensation, see 17.4.1 above, shall be based on the highest daily rate of the
23 unit members sharing the assignment. This amount shall be divided equally.
24

1 ARTICLE 20 - COMPENSATION NARRATIVE – GENERAL

2 20.1 Placement on the Salary Schedule

3 20.1.1 At the time of employment, salary placement shall be determined on the basis of the available
4 information. Unit members are responsible to see that a complete set of official transcripts for units of
5 work earned in an accredited institution and credentials are on file in Human Resources no later than
6 45 days after the date of employment. The final determination regarding placement for the year shall
7 be based upon the official transcripts and credentials on file.

8 20.2 Advancement on the Salary Schedule

9 20.2.1 Degree and Credential

10 20.2.1.1 A bachelor's or advanced degree or credential is determined to have been granted at the time
11 a unit member was eligible, as certified by the accredited university or college, though the
12 conferring of the degree or credential did not occur for an additional period of time. Units
13 earned following eligibility may be counted for advancement on the salary schedule.

14 20.2.2 Units

15 20.2.2.1 The unit requirements for each salary column are stated in semester hours of credit. Quarter
16 hours of credit shall be computed into semester hours by multiplying quarter units by two-
17 thirds.

18 20.2.2.2 A unit of work for credit on the salary schedule T/A-1 shall be earned in an accredited
19 institution. Such units must relate to the current area(s) of assignment, be for the purpose of
20 adding an additional subject area authorization to a credential, be for the purpose of attaining
21 a new credential, or be for an advanced degree. Lower division courses may be applied when
22 they have been approved by the Assistant Superintendent, Administrative Services or
23 designee, prior to the enrollment of the unit member.

24 20.2.2.3 All work and qualified experience taken for salary credit shall be completed and presented to
25 the Department for salary credit by October 1 of the year in which it is to become effective.

20.2.2.4 Creditable units to be used for salary purposes which are taken and completed during the school year and prior to July 1 will be effective July 1. Units taken during the summer and completed prior to October 1 will be effective September 1.

20.2.2.5 No more than six (6) creditable units per semester or summer school or a total of eighteen (18) units per academic year may apply toward salary. When the units per semester or summer school exceed six (6), permission must be obtained from the Assistant Superintendent, Administrative Services or designee.

20.2.2.6 A grade of "C" or better must be earned in all course work submitted for salary advancement. Courses taken on a pass/fail basis will be accepted with a grade of pass.

20.2.2.7 Salary credit for Bachelor's and Master's degrees will be allowed if the degree is earned at an institution accredited by the Regional Association of Schools and Colleges.

20.2.2.8 Credits completed under California Commission on Teacher Credentialing (CCTC) Pre-Intern Teacher or District Intern Teacher programs are acceptable for salary schedule credit and advancement. Such credits must be verified by the granting Local Education Agency (LEA).

20.2.2.9 Continuing Education Units (CEU's) are applicable for salary schedule credit subject to the following criteria:

20.2.2.9.1 The class must be preapproved by the Assistant Superintendent, Administrative Services or his/her designee.

20.2.2.9.2 A grade of C or better must be achieved for the course. Pass/fail courses are acceptable with a pass grade.

20.2.2.9.3 Course work must be taken from an accredited institution of higher education or an organization approved to provide course work for state licensure and submitted on an official transcript or other acceptable documentation from the organization. Unit members who must maintain a state license in order to hold a California credential may use CEU's required for state licensure for salary schedule credit.

20.2.2.9.4 CEU's will be converted to salary schedule credit based on fifteen (15) clock hours = one semester unit.

20.2.3 Experience

20.2.3.1 A maximum of five (5) years credit shall be granted on a year-for-year basis for military service in the armed forces of the United States if such military service was an interruption of teaching duty while employed by the Department provided the unit member returns within one (1) semester after his/her discharge.

20.2.3.2 Unit members reemployed by the Department after a break in service shall be placed on the schedule at the next highest step than that on which they served their last full year with the Department if the unit member's prior schedule placement exceeded the new hire limitations included in Section 20.2.3.

20.2.3.3 A teacher shall receive five (5) years credit granted on a year-for-year basis for prior full-time teaching or related ancillary experience including experience outlined in Section 20.2.3.4 requiring certification qualifications. Full time as used herein, is at least seventy-five (75) percent of a full-time, full-year assignment.

20.2.3.4 Ancillary staff shall receive a maximum of five (5) years credit granted on a year-for-year basis for prior related experience including teaching experience when such experience directly relates to the assignment. Notwithstanding the foregoing, Audiologists and Language, Speech and Hearing Specialists shall receive a maximum of eleven (11) years credit granted on a year-for-year basis for prior related experience including teaching experience when such experience directly relates to the assignment. The Assistant Superintendent, Administrative Services or his/her designee shall make the determination as to whether such experience qualifies for credit.

20.2.3.5 Verification of experience must be submitted within forty-five (45) days of the effective date of the employment contract.

20.2.4 Service

20.2.4.1 Unit members initially hired with a contract effective date prior to January 1 move up on the salary schedule for the following school year. Unit members initially hired with a contract effective date on or after January 1 will not move up on the salary schedule until completion of one school year in addition to the service provided between the date of employment and June 30.

20.2.4.2 Unit members initially hired with a contract effective date after January 1 may move up on the salary schedule for the following year provided that Department service including any certificated substitute service, and any qualifying service requiring certification qualifications from another school employer for the school year in which the unit member was hired, is at least seventy-five (75) percent of a full-time, full-year assignment.

20.2.5 Daily Rates of Salary Schedule

20.2.5.1 Days worked beyond the number of base work days of a given salary schedule will be paid at the daily rate of said schedule.

20.2.5.2 Notwithstanding any other provision of the Agreement, unit members who are employed in ten- (10) month programs may perform substitute services in another program and be compensated on the substitute salary schedule during the period between the closing and opening date of the program calendar of the member's program assignment. Such employment shall not preempt the rights of any other unit member nor the rights of a laid-off member.

20.2.5.3 Part-time unit members shall receive salary based on the salary schedule appropriate for the assignment. Part-time unit members working less than the full professional day shall have salary calculated as a percentage of the daily rate.

1 20.2.6 Maintenance of Credentials

2 20.2.6.1 Unit members must maintain the appropriate credentials, permits, and certificates which
3 entitled them to the previous year's salary schedule placement and shall register all current
4 credentials, permits and certificates with the Department's Credentials Section.

17 through the supervisor and submitted to the Assistant Superintendent, Administrative Services or
18 his/her designee in writing for final approval. All policy provisions will remain applicable.

21 the 16th, 18th, 20th and 23rd years of service. Any unit member moving to the anniversary increment

21.3.2.2 Instructional duties above and beyond the professional day shall be defined as:
